

Dandy Lift™

The World's Most Popular Lifter/Transporters

SOUTHWORTH
making work faster, safer, and easier since 1890

A Dandy Lift for Every Application

These inexpensive lifter/transporters from Southworth make any job easier. The Dandy Lift™ is essential wherever lifting, positioning, assembling, stacking, unstacking, transporting, or the need for an adjustable height work surface is part of the job. Use them in factories, offices, stores, warehouses, repair shops, garages, nurseries—anywhere.

Choose from a wide variety of models:

- Low profile for use with skids, containers, or pallets
- The Dandy Leveler™ raises and lowers automatically as loads change
- The Dandy Tilter, for working with small parts in totes or junior containers
- Powered Dandy Lift with push-button lifting and lowering

Whatever you're lifting, leveling or transporting, there is a Dandy Lift to suit your needs.

Medium Duty Dandy L-250

Multi-Grip Position Handle

Sure-grip cushioning and a series of gentle contours allows users to pick the most comfortable hand position for whatever they are doing.

Qwik-Grip Lowering Handle

Open design, oversized lowering handle can be accessed from any position behind or beside the unit. Simply lift handle to lower loads.

180° Access Foot Pedal

Can be pumped from the back or side of the unit. Generous size ensures solid contact with foot pedal regardless of footwear.

Built Better in Every Way

Here are a few reasons why Dandy Lifts are the world's best lifter/transporters:

- Durable enamel paint and chrome finish
- Steerable caster-type wheels
- Multi-Grip position, contoured handle
- Qwik-Grip lowering handle
- 180° access foot pump pedal
- Foot activated parking lock
- Infinite height adjustment within range
- 20:1 mechanical advantage hydraulics

M-500L	1,100 lbs	19.7" x 55.4"	37.1"	19.7" x 37.1"	3.2"	26.3"	29.5"	174 lbs

Powered Dandy Lifts

Raise and Lower Loads at the Touch of a Button

Powered Dandy Lifts build on a 35 year heritage of quality. They lift and lower at the touch of a button providing the ultimate in ergonomics and convenience. Their clean, quiet, user-friendly design make them ideal for high-tech, industrial, retail, and even office environments. Uses include stock rooms, tool rooms, electronic assembly areas, shipping rooms, offices, test stations, maintenance departments, and many more.

And All the Other Little Things That Make it a Dandy

Ergonomic comfort shape handle

Battery status indicator* and onboard charger

Full shielding of all electrical components

Smooth rolling casters and floor lock

High-speed linear actuator for clean, precise positioning

*Except PML-250 which has audible battery discharge alarm
